

NorthWest Commercial Mortgage Services

Income and Commercial Property Specialists

NorthWest Commercial Mortgage Services is a mortgage brokerage firm specializing in commercial and investment financing for a variety of property types including:

- Apartments
- Office buildings
- Warehouse and Industrial buildings
- Retail commercial

We offer loans for construction and development, acquisition and refinancing of the above properties typically in the \$1 to 10 Million range.

We have 29 years of solid experience in the industry. Our relationships with an extensive array of lenders (including commercial banks, pension fund trusts, life insurance companies and Wall Street “conduits”) allow us to “tailor fit” a mortgage program to your clients needs at today’s best possible rates.

It’s a challenging lending market today. So why take a chance. We represent the borrower, not any one lender, so you can be assured that our financial wisdom and expertise works for you! We’ll prequalify, consult on deal structure, negotiate the financing details and get your deals closed.

Add our financial wisdom, experience and creativity to your borrower’s team.
